

Team Name: 707

Team Project: Lirten Tasks- Certification

Criteria	Completeness	Epic vs User Stories	Format	Priority
Grade	2/3	2/2	2/2	1/1
Reason	Missing everything regarding the consultancy			

Comments on User Stories

User Story Number	Comment
1.6	The consultancy can request to do that as well
1.12	Through the platform?
1.8	What evaluation and what authenticity?
Profile user stories	Editing the profile is not a simple task as the member requests for updating the profile. Also, bare in mind there is a huge number of attributes in a single profile, thus updating is not a single easy to implement user story
3.3	Define eligible
Life cycle	Who will update the life cycle of the project?
3.13	Define search
